### **Local Construction Company Awarded Corporate Headquarters Contract**

Denver, CO -- July 7, 2005 -- **dcb Construction Company, Inc.**, a locally owned and operated construction company since 1960, has been selected by McCoy Sales Corporation to construct a new 41,000 square foot masonry office and warehouse facility in close proximity to their current headquarters in Englewood, Colorado. Construction began June 2005 and is scheduled for completion November 2005.

McCoy Sales Corporation, a manufacturer's representative and distributor headquartered in Englewood, Colorado, has served the Denver area for 45 years. Their diversified product offering is separated into three unique corporate divisions; Heating Products Division, Fluid Connector & Mobile Hydraulics Division and Instrumentation and Seal Division. These divisions are housed in seven separate branch locations covering the Rocky Mountain Region. They specialize in housing a large local inventory and product/application expertise for the purpose of providing customers with a partner who builds and maintains relationships based on fair prices, timely deliveries, expert advice and unrivaled customer service. By facilitating the flow of products from their manufacturers to individual customers, McCoy Sales Corporation is able to provide a unique value-added service that is realized through a team of trained associates committed to continual improvement and customer satisfaction.

A Colorado builder since 1960, **dcb Construction Company, Inc.** is currently celebrating its 45th anniversary of providing general construction, design-build and construction management services throughout the state of Colorado and is ranked one of Colorado's premier top ten design-build firms by Colorado Construction Magazine, 2004.
